Thieves won't beat it. Customers will love it.

Maximum security with full customer interaction.

- A high security solution providing unmatched security while allowing customers to fully interact with the merchandise
- Empowers sales associates to quickly release a phone or tablet, so customers can have a true hands-on experience
- Enables customers to easily interact with merchandise, even when locked
- Part of InVue's IR Ecosystem™

InVue®

Stops theft, allows merchandise to be fully experienced, increases sales.

FEATURES AND BENEFITS

1. Offers the highest level of security for smartphones and tablets – ideal for 'high theft security zones' in retail stores
2. IR2 Key enables quick-release of merchandise for a full product experience at the discretion of the sales associate
3. Touch screen and device buttons are accessible for consumer interaction while in lockdown mode
4. Clamps come in different sizes to accommodate a range of smartphone and tablet dimensions
5. Allows for portrait and landscape rotation while in lockdown mode
6. Supports OEM power pass through for cost effective display of merchandise
7. Optional alarm with use of Zips 2.0 or S2800 Alarm Units (not shown)
