

# A simple, easy to use secure tablet display.

The CT100 provides extremely tough protection and is simple to install and use. When docked the CT100 automatically locks and immediately begins charging so that the tablet is secure, completely powered and ready for use.

The rugged tablet enclosure can be easily removed for mobile use and includes ergonomically designed handles with straps to reduce user fatigue and can be adapted to a variety of business needs.

## FEATURES AND BENEFITS

- 1 Rugged all metal stand securely mounts to any drillable surface (can also be adhesive mounted)
- 2 Strong polycarbonate tablet frame protects the tablet from theft and abuse
- 3 Integrated contact charging powers tablet when docked, eliminating the need to plug to any cables
- 4 IR interface easily accessed, OneKEY™ instantly unlocks tablet for mobility with no impact to transaction time
- 5 Easily rotate tablet between portrait and landscape orientations
- 6 Swivel base option is available (not shown)

A storewide single key solution to increase profits.

**OneKEY**<sup>™</sup>  
ecosystem

CT100 is part of the exclusive InVue OneKEY ecosystem<sup>™</sup>, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
