

4-PORT POWER BOX

An innovative
solution for space
limited displays.

The new 4-Port Power Box is the ideal solution when there is not enough room in your furniture/ fixtures for individual power supplies. Its small

footprint will easily fit into any tight situation and there is no need for a power strip.

4-PORT POWER BOX

FEATURES AND BENEFITS

- 1 Provides 5V power for up to 4 positions
- 2 Perfect for retail stores that do not have enough space inside their furniture for individual power supplies for each position or have limited outlet positions to support 1:1 power supplies
- 3 No need for power strips

4-PORT POWER BOX

IR ECOSYSTEM™

The 4-Port Power Box is part of the exclusive InVue IR Ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
