

Series 1050

Dramatically increase your accessory sales.

Series 1050's auxiliary port allows cross merchandising of high-value accessories, driving increased sales.

“According to
Mobile News, by 2017,
smartphone accessory
sales will grow to
\$38 billion.”

We think we
can do better!

InVue's Series 1050 gives you the ability to
cross-merchandise accessories —
increasing your accessory sales by over 20%!

Series 1050

Try out the phone. Try on the watch.

Series 1050

- › The only security stand on the market that combines security with cross merchandising opportunities
- › Auxiliary alarm port provides protected display of electronic accessories
- › Maintenance-free recoiler rated for 60,000 cycles
- › Easy re-merchandising and nightly removal
- › Supports 5V, 3A USB Type C power

Series 1050

Above-counter POD for easy installation
with no visible cords.

The IR2 Key provides a unique store code
and timeout feature for added security

Series 1050

Innovative recoiler is smooth, quiet, and easy to pull.

Optional brackets are fully adjustable and do not interfere with customer experience

Small sensor size provides minimal interference with merchandise

Onboard auxiliary alarm port allows protected display of electronic accessories

Series 1050

Series 1050 is part of the exclusive InVue IR Ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
