

Protect a device and an accessory with a single stand.

The new POD Series 1050 hidden cord solution offers significant advantages in consumer experience, performance, display design and ease of use. InVue's exclusive Easy Pull™ recoiler is the industry's lowest force recoiler providing

customers a smooth, consistent pull and flexible movement while interacting with the merchandise. The Series 1050 has an auxiliary alarming port making it the ideal solution for co-merchandised displays that incorporate high-value accessories.

FEATURES AND BENEFITS

- 1 Above-counter POD for easy installation with no visible cords
- 2 Onboard auxiliary alarm port allows protected display of electronic accessories
- 3 Recoiler is smooth, quiet, and easy to pull
- 4 Small sensor size provides minimal interference
- 5 100 dB alarm is loud enough to be heard in noisy environments
- 6 Optional brackets are fully adjustable and do not interfere with customer experience
- 7 Storewide single key solution

IR ECOSYSTEM™

Series 1050 is part of the exclusive InVue IR Ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
