

Zips Power™

Powering and securing high theft, premium accessories.

Zips Power™ is the perfect solution to provide power and security to 5V consumer electronic accessories, such as Bluetooth speakers. Zips Power leverages the power supply that comes with the merchandise to provide power and contains an internal rechargeable battery to maintain security if store power is lost. The sensor can be detached to support daily removal for added security at night. Zips Power is part of the IR Ecosystem™, a single key system that protects your high theft merchandise.

Zips Power™

Easy to use and simple to install:

- › IR Ecosystem™
- › Complete above counter solution
- › Powers 5V, 1 amp devices
- › Detachable sensor for easy daily removal
- › Leverages OEM power to power device and alarm
- › Rechargeable back-up battery
- › Optional medallion for cable anchor

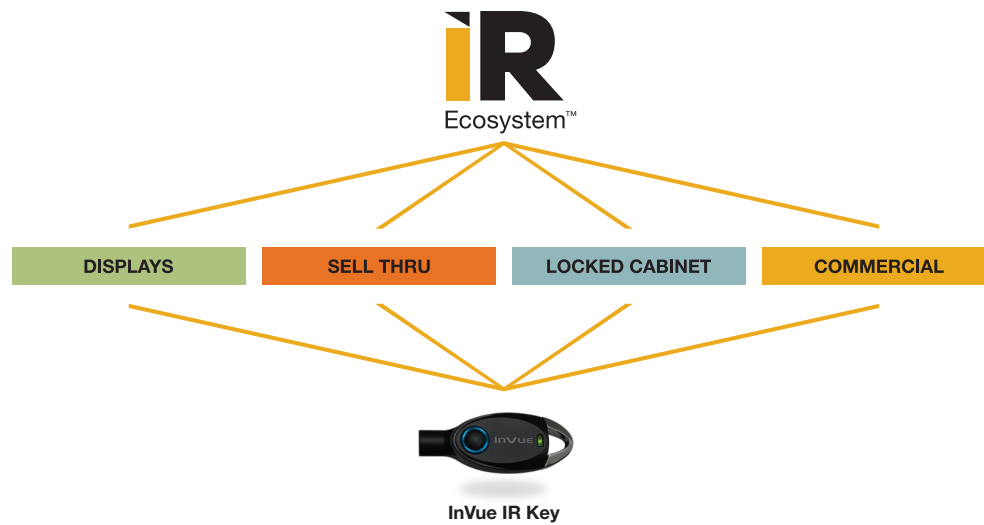

Ideal for:

- › Bluetooth Speakers
- › Other 5V Consumer Electronics Accessories
- › Smart Watches
- › Inductive Chargers
- › Heart Rate Monitors / Blood Pressure Monitors

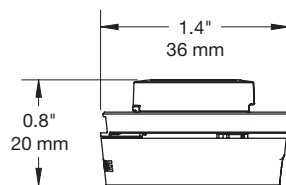

Zips Power™

A single key security system that protects your high theft merchandise.

One key and four categories of tough security products provide you multiple, store-wide security solutions. The IR Ecosystem™ allows you to safely open display, and access, your high theft merchandise and ensures that store associates always have the right key at the right time.
